

**Natural History For The Home**

**Bespoke Displays**

**Covers and Frames**

**Display Cabinets**

**Custom Furnishings**

**Plinths and Columns**

**Over the years Dauphin has worked with interior designers and private collectors to help on a variety of displays. Some of our most striking and challenging work has been the mounting of natural artefacts for showcasing within the home.**

**Above: Fossils mounted on metal coated bronze plinths.**

**Right: Whale vertebrae mounted on slate with acrylic spacers as spinal disks**

**Above: Hippopotamus tusks mounted on slate with acrylic supports**

**Above: Ammonite mounted on clear acrylic base. Designed to raise the artefact and give the impression of floating**
